

Places to Explore

40,000+ acres of protected land, providing habitat for wildlife to breed, migrate, and thrive, and places of refuge for people.

Hundreds of miles of trails to explore along beaches, ponds, and rivers, through forests and fields, and across boardwalks and gravel paths.

17+ All Persons Trails that are universally accessible and feature wide, even paths and frequent seating opportunities.

170 species found across Mass Audubon's wildlife sanctuary network that are state-listed as Special Concern, Threatened, or Endangered.
